

Group Benefits promo video script

We get it. Managing your benefits can be complicated and time consuming.

Co-operators Benefits Now® does the heavy lifting and makes life a little easier!

What can Benefits Now do for you?

Benefits Now won't walk the dog, vacuum your living room, or run errands – but it helps you manage all your benefits needs in one place – wherever you are, whenever you want.

When you submit a claim, you'll enjoy easy-to-use digital platforms, you'll never have to worry about losing your benefits card and you won't have to remember when your next eye exam is due.

You're going to love the freedom and convenience of Benefits Now. It's speedy, simple and secure.

Isn't that the way it should be?

Even though you'll still have to do your own vacuuming.

Get started today! Check our Co-operators Benefits Now on our mobile app or online for faster, easier claims.
